

PROFESSIONAL SUMMARY

- **Values-Driven Professional** with over **19 years of diverse experience** in public service, education and administration, dedicated to the mission of "Using Life to Influence Lives."
- **Expert in Stakeholder Management and Cross-Functional Coordination**, demonstrated by coordinating the development of a student management system at Nanyang Technological University, and successfully liaising between grassroots leaders, government agencies, and vendors for high-visibility community projects.
- **Proven Administrative and Fiscal Accountability** with experience in monitoring budgetary requirements, managing expenditure controls, and **strict adherence** to allocated budgets for units under his charge.
- **Curriculum Development and Training Specialist** from a decade as an Educator, designing and refining curricula (Integrated Science and O- and A-Level Biology) and pedagogies to enhance student engagement and comprehension.
- **Certified Human Resource Administrator (CHRA®)** with strong skills in administrative processes, project and event coordination, problem-solving, and driving continuous process excellence in institutional environments.

KEY ACHIEVEMENTS

- Oversaw budget monitoring and expenditure controls for three grassroots organisations, achieving a **98% adherence rate** to allocated budget across all implemented programmes.
- Coordinated with stakeholders and programme leads from **18 Colleges and Schools** for the design and development of a new student management system tailored for all NTU Master's and PhD programmes, adhering strictly to project timelines.
- Monitored and maintained inventory for 21 floors of 420 rooms as Administrative Assistant, optimising stock levels that resulted in a **15% reduction in consumable wastage**.
- Spearheaded and led a co-curricular activity group to secure a **top three position** in the annual Best Unit Competition organised by HQ National Cadet Corps.
- Spearheaded the development of the Science Integrated Programme by introducing innovative hands-on learning and regular formative assessments, ensuring alignment with national policies as well as the school's mission, vision, values, and departmental strategic goals.
- **Received Special Award for Best Improvement in 2007 GCE A Level Results (Biology)**, presented by Catholic Junior College, in recognition of achieving the highest increase in Biology grades among all students that year.

 - **Software & Communication:** MS Office Suite (Word, Excel, PowerPoint), Mac & Windows Applications, Written and Verbal Communication (English and Chinese).
-

PROFESSIONAL EXPERIENCES

CONSTITUENCY MANAGER, People's Association | MAY 2023 - OCT 2024

- Led operational coordination and provided comprehensive administrative and logistical support to three grassroots committees, ensuring effective implementation and compliance with public sector administrative frameworks.
- Managed fiscal accountability by monitoring budgetary requirements and expenditure controls for grassroots organisations, achieving **98% budget adherence**, ensuring optimal use of public funds.
- Prepared and promptly submitted comprehensive financial statements of accounts and detailed project evaluation reports to committees and headquarters, providing critical insights that directly informed high-level strategic decision-making.
- Served as the key liaison between grassroots leaders, government agencies, vendors, and external partners, successfully coordinated resources and high-visibility community projects, of which three were constituency-level events involving **more than 1500 residents** in total.

ASSISTANT MANAGER, NTU Graduate College, Nanyang Technological University | APR 2022 - APR 2023

- Coordinated the design and development of a new student management system with stakeholders and programme leads, adhering to project timeline and tailored for all NTU Master's and PhD programmes.
- Provided high-level administrative and secretariat support to academic leadership and the NTU Graduate College Executive Committee, managing sensitive resources and ensuring compliance with institutional policies.
- Analysed operational data and developed enhanced Standard Operating Procedures (SOPs) for administrative processes to drive continuous work excellence.
- Enhanced and managed the NTU Graduate College's website to ensure accurate and up-to-date information.

CONSTITUENCY MANAGEMENT EXECUTIVE (TEMP), People's Association | NOV 2021 - MAR 2022

- Managed frontline counter operations, consistently providing efficient service delivery to residents, which resulted in a **20% reduction in wait times** and a **95% customer satisfaction rating**.
- Promoted and encouraged residents' participation to support the Constituency Office's outreach and engagement initiatives.

DIGITAL AMBASSADOR, Infocomm Media Development Authority | AUG 2020 - MAR 2021

- Facilitated training by coaching and guiding **five unique seniors every week** on the secure use of digital tools and apps such as Zoom, WhatsApp, and online banking platforms, which required strong communication skills and diligent record-keeping.
- Engaged and guided hawkers and stallholders on adopting e-payment solutions and digital commerce to digitise businesses.

ADMINISTRATIVE ASSISTANT, Sheraton Towers Singapore | JUL 2019 - JUL 2020 (1 year)

- Monitored and maintained the Housekeeping Department's inventory for 21 floors of 420 rooms, optimising stock levels that resulted in a **15% reduction in consumable wastage**.
- Verified and prepared over 250 procurement documents with precision, ensuring accurate and timely financial transactions.
- Collaborated cross-functionally with multiple departments to streamline daily hotel administrative workflows and improve overall efficiency.

TEACHER, Catholic Junior College & St Joseph's Institution | JUL 2005 - NOV 2015

- Delivered and tutored the Singapore-Cambridge GCE A-Level H2 Biology and GCE O-Level Biology syllabi to classes of up to 35 students, including facilitating science practical lessons and assessments.
 - Regularly reviewed the curricula by systematically analysing student feedback and assessment data to ensure alignment with departmental strategic goals, which led to the refinement of curriculum materials and measurable improvements in student performance.
 - Designed and evaluated inquiry-based learning activities and interactive laboratory modules as a Biology Subject Tutor, refining curriculum materials to incorporate case studies and real-world applications. These enhancements led to a **20% increase in student participation** and higher average examination scores, demonstrating measurable improvements in engagement and comprehension.
 - Advocated for the interests of students and teachers in key committees (Student Development and National Education), leveraging strong communication, collaboration, and negotiation skills to influence educational policies and initiatives. This role strengthened my ability to analyse policy impact, build consensus among stakeholders, and demonstrate leadership within interdisciplinary teams.
 - Guided and mentored students during co-curricular sessions, serving as a trusted contact for student welfare and academic progress. This support led to a **25% increase in participation** and measurable improvements in academic performance among mentees.
-
